Boyden High School

Salisbury, North Carolina

Foreword

Years from now when success is yours, this period of your life may seem insignificant. Yet, right now you are becoming the person you will be, and the experiences of your life at B.H.S. will determine your destination.

For some students this was their first year at Boyden; for others, their last; but for everyone, it was a year to remember. High school is the place where we formulate our dreams and plans for the future. It is a way of life, a fabrication of delicate and bold designs created from the emotions that are reflected in all we do. To capture these moods for you, the Echo Staff presents this yearbook of 1963.

Dedication

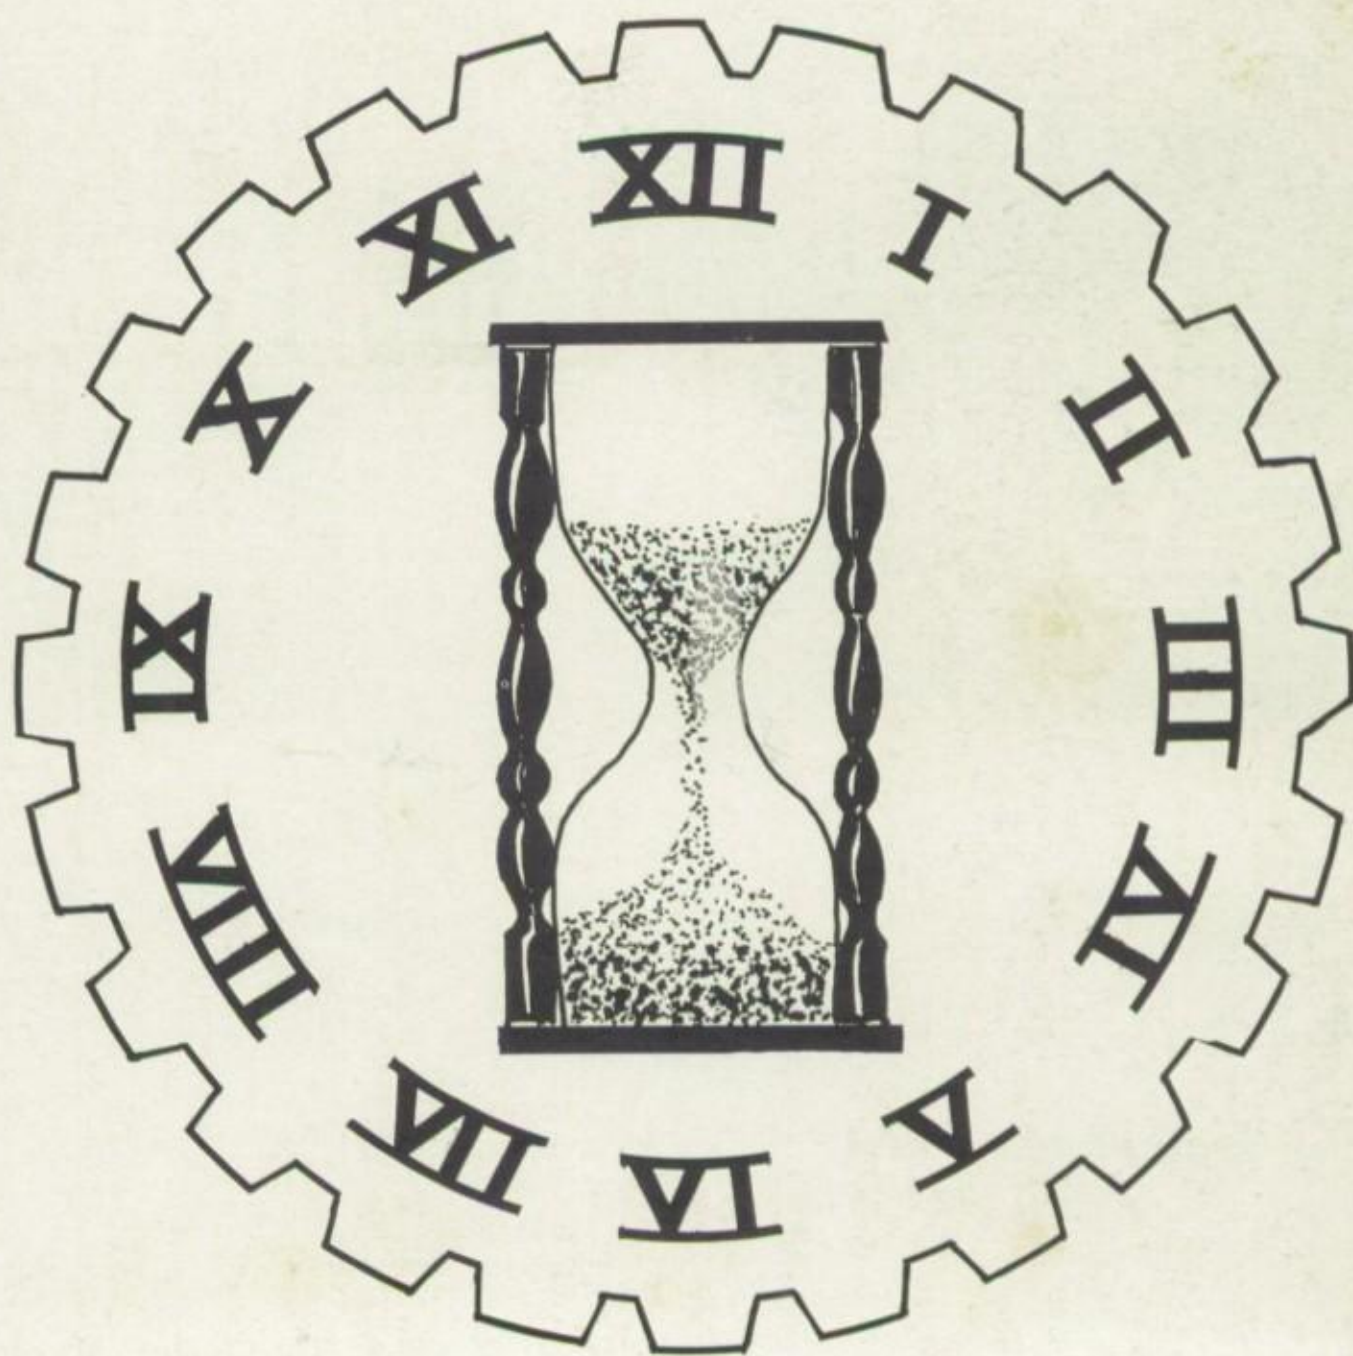

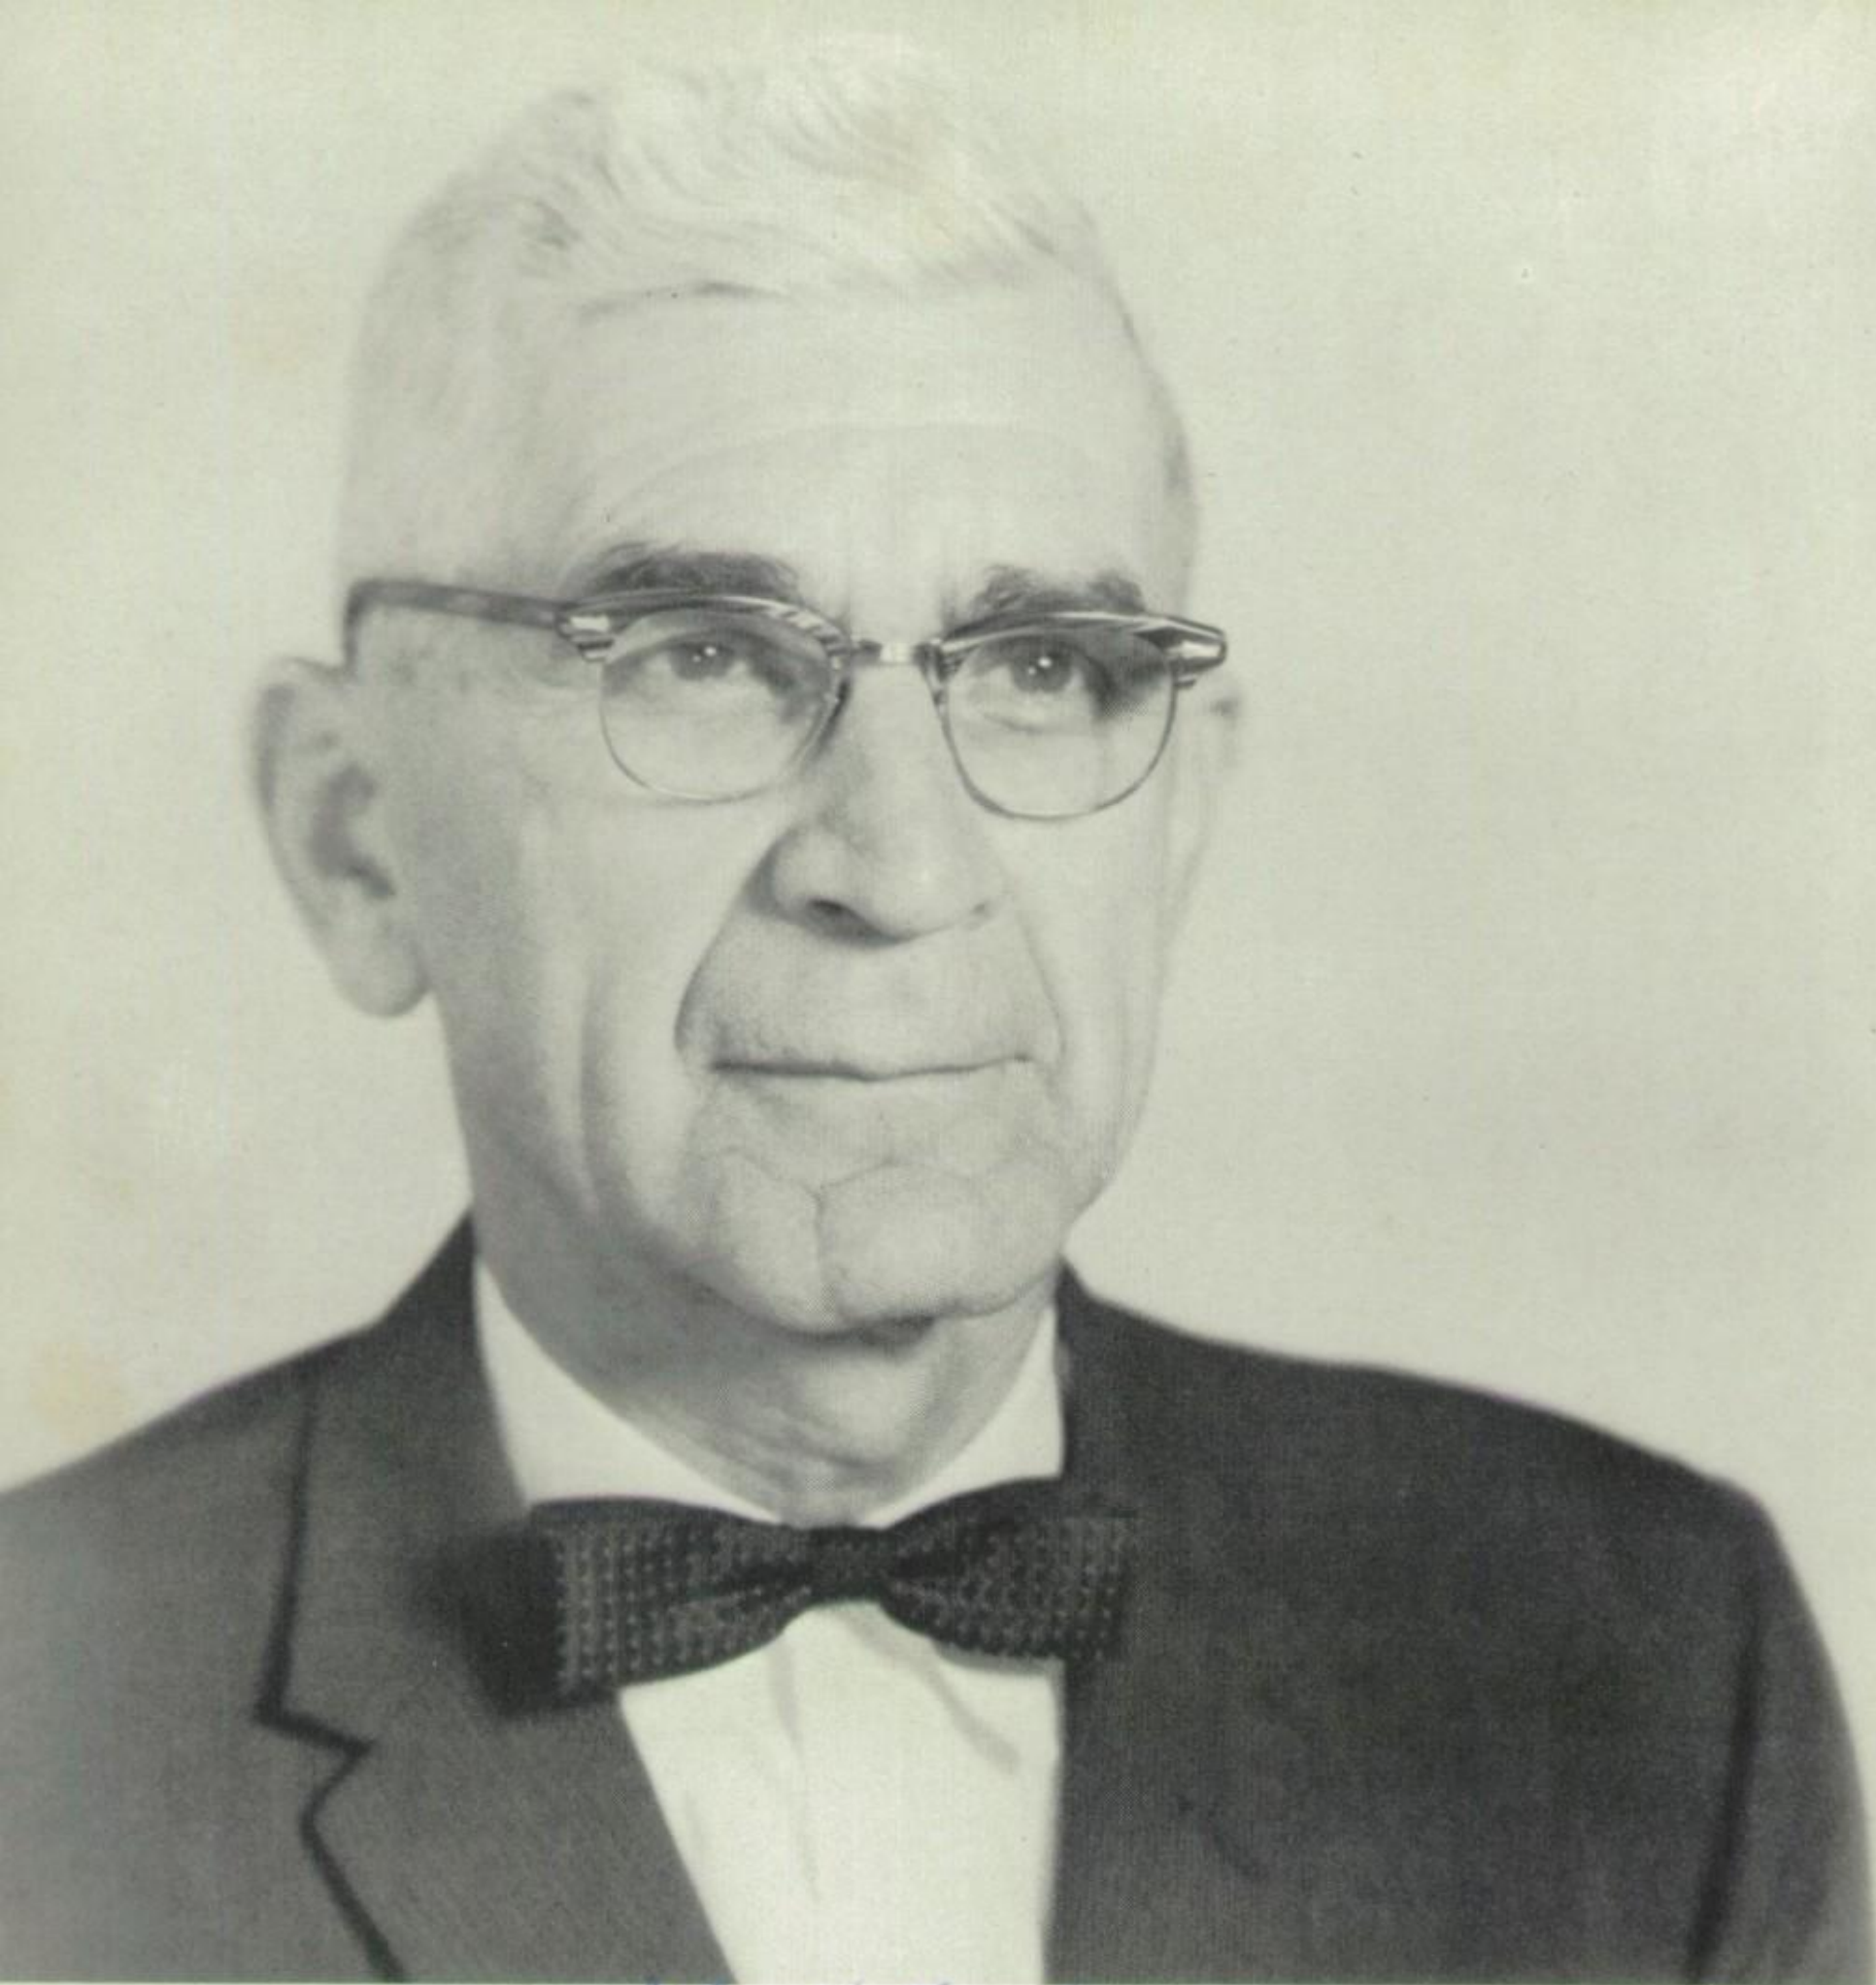

The 1963 Echo Staff takes great pleasure in dedicating this annual to a teacher who has given many untiring hours of aid to her students. She arranges and supervises College Day, helps seniors with college plans, is adviser and counselor for the Senior Class and is adviser to Future Teachers of America. All this evidences her unselfish service and love for the students of Boyden High School. For her concern, invaluable aid, interest, and high ideals, we proudly dedicate this yearbook to Mrs. Minnie M. Gaston.

The **Yellow Jacket**, Boyden's school newspaper, is operated under a class-staff situation. The journalism class, taught by Miss Gordner, publishes our outstanding paper twelve times a year.

The three purposes of the paper are (1) to inform students of school activities, (2) to entertain through interesting original features, and (3) to help develop constructive attitudes toward various school problems.

Last year the **Yellow Jacket** received a coveted Gallup Award. The paper received 933 out of 1000 quality points in the competition. They also received an award from the **Quill and Scroll Critical Service**. These are certainly outstanding achievements.

The staff has twenty-seven members, eleven seniors and sixteen juniors.

"All right Civitans, we've got to beat the Key Club!"

Boyden High School can again be proud of the hard work and energy exerted by the Junior Civitan Club. Throughout the year this club has lived up to its motto, "Builders of good citizenship." The members rendered their services often by sponsoring Citizenship Week and Parents' Night, selling fruit cakes, pillows, and season tickets, and by decorating the school at Christmas.

We extend our thanks to these outstanding sophomores, juniors, and seniors.

The Key Club, sponsored by the Salisbury Kiwanis Club, promotes initiative and leadership in its members. High school boys from the sophomore, junior, and senior classes compose this service club. The new members are chosen from a list of boys recommended by the faculty.

This club takes great pride in their service to the school. A few of these service projects are giving a \$500 scholarship to a member of the high school, running a concession stand at home football games, and sponsoring the Holiday Ball.

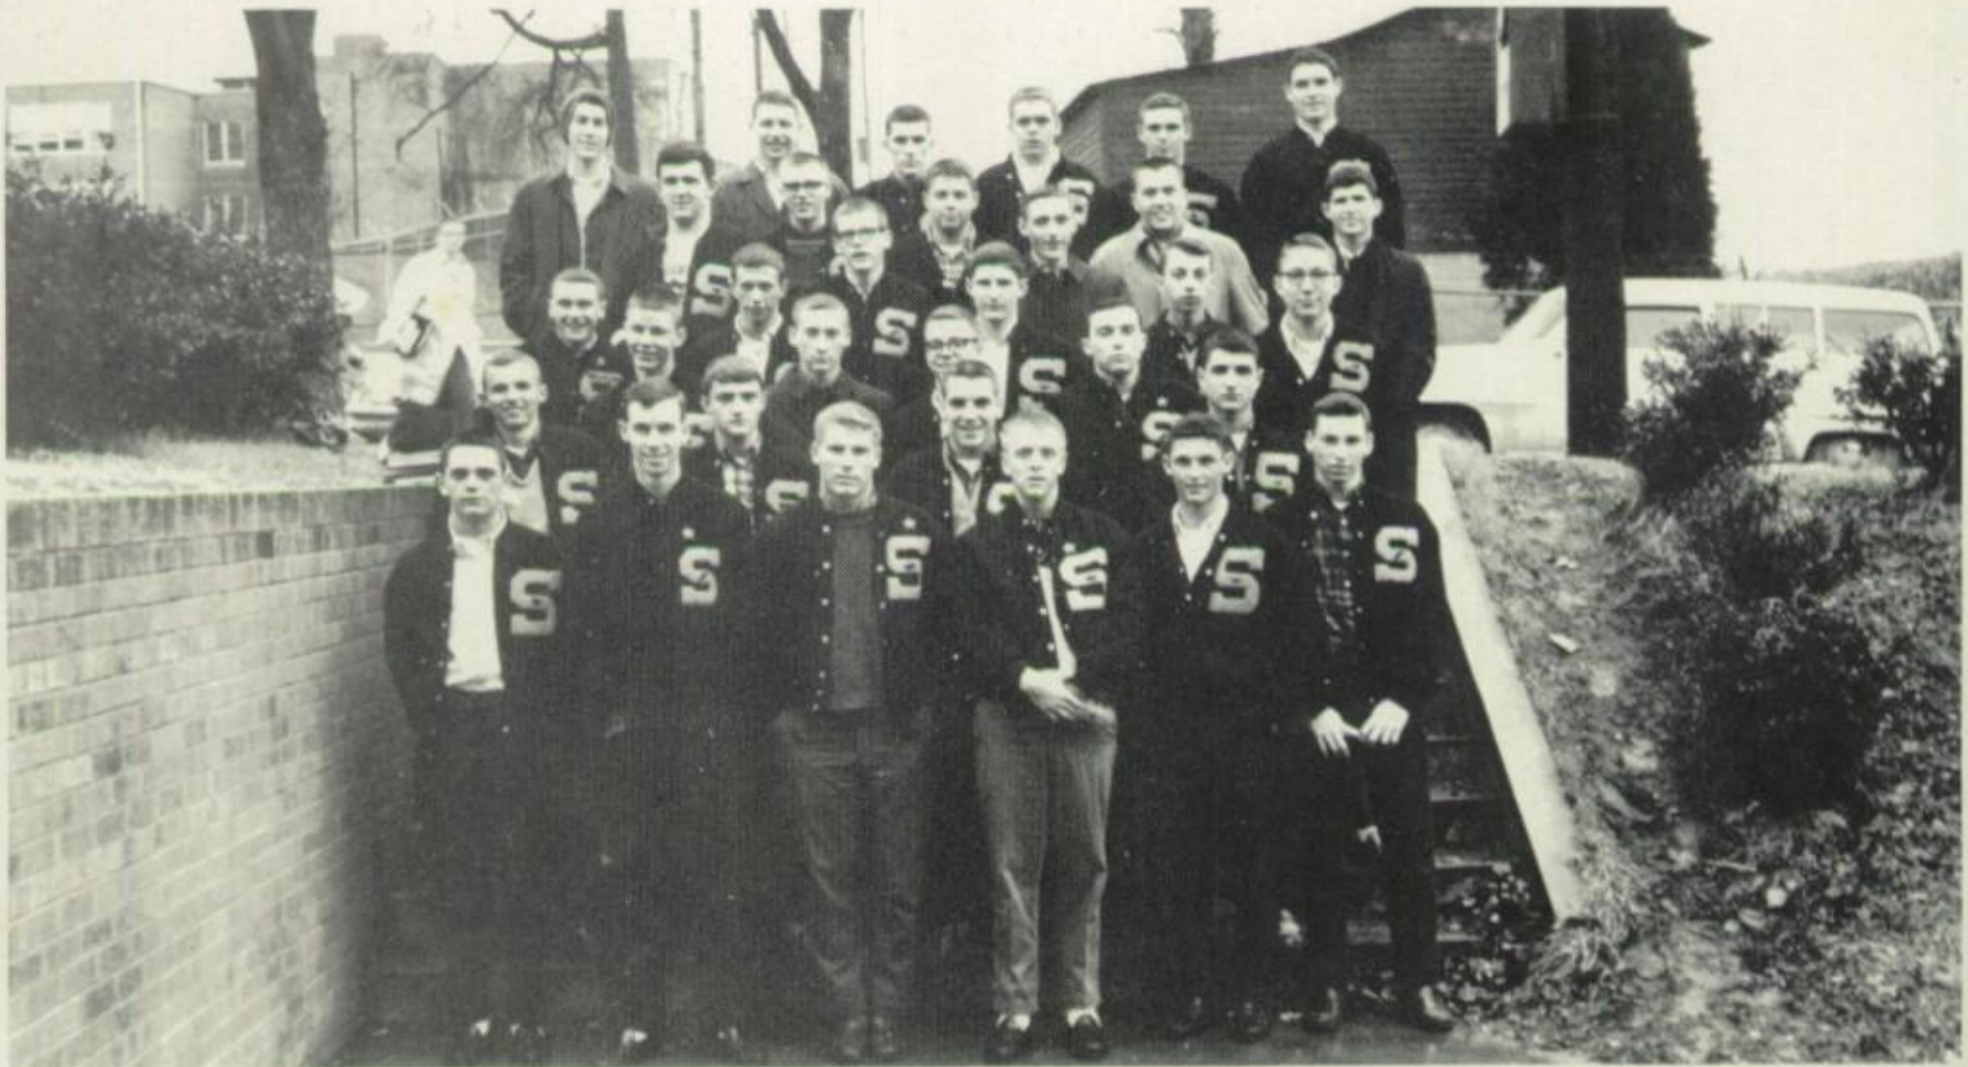

The Key Club is an outstanding club and of great service to Boyden.

Debating Team

The Speech and Debate class, taught by Mr. Richardson, meets each day at third period. It can be taken as either a yearly or semester course. During the first semester the members of the class prepare for the Triangle Debates by giving formal and informal speeches in class. They also gain cultural background through discussion of great artistic, literary, and musical works. In the second semester they receive the topics for the Triangle Debates. The entire class is divided into affirmative and negative teams of two each; the students gather information on their topic and practice debating in class. The final step is picking the teams that are to debate with two other high schools in the Triangle Debates.

Under the capable hands of Bill Webb and Ellis Fisher, Boyden's football team had an unfortunate season. Although we didn't win every game, Boyden had some outstanding football players this season.

In the opening game the coaching staff discovered two small players with a lot of speed. Cal Butler, a promising sophomore, made his 44 yard run to set the Jackets in scoring position. But as bad luck would have it the ball was lost and so was the game.

Front row: Richard Reamer, Charles Sheehan, Bill Humphrey, Jay Hardister, Raymond Raper. **Second row:** Lindsay Adcox, John Spencer, Bill Douglas, Wayne Wood, Bob Helms. **Third row:** Don Erb, Jim Isenhour, Hoppy Honeycutt.

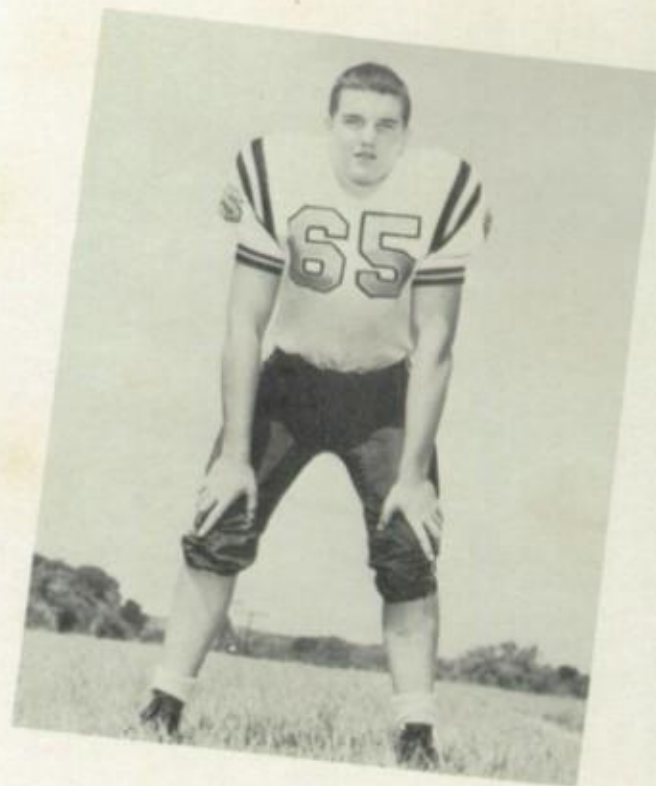

BILL WEBB

In the same game Charles Andrews made a spectacular run, which again with bad luck failed to score.

There were other hard-fought games, with great runs from Bill Webb, Raymond Raper, Paul Heilig, and Charles Sheehan. To the returning players, good luck; to the graduating seniors, well done!
